Important Reminders:

To improve service to our customers, we are upgrading our systems in December. During this upgrade process, the automated phone system, customer service representatives, and account access from the website or mobile app will be unavailable for several days. Please make note of this temporary service change when managing your account. For more details, visit: e-zpassny.com/new.

E-ZPass customers are encouraged to periodically verify the payment method, demographic information and license plate(s) listed on their account. Maintaining an up-to-date plate listing and account info helps avoid the issuance of Toll Bill Invoices to E-ZPass account holders.
